

**Cemtech Europe 2015 Outline Conference Programme\*****SUNDAY, 20 SEPTEMBER 2015**

14.00 Exhibition set-up

16.00 Delegate registration

**18.30 Cocktail reception followed by Welcome Dinner****MONDAY, 21 SEPTEMBER 2015**

07.30 Delegate registration

08.45 Welcome address: Sebastian Spaun, Managing Director, Association of the Austrian Cement Industry (Austria)

09.00 Worldwide cement industry trends: Robert Muir, Berenberg (UK)

09.30 Consolidation of the European cement sector: Jean-Christophe Lefèvre-Moulenq, CM CICS (France)

10.00 European Union economics and the disconnect between the Northern and Southern construction markets: Dasha Lukiniha, IHS (UK)

**10.30 Coffee Break**

11.00 Keynote address: HeidelbergCement's endeavours in AFR and carbon capture and utilisation, Jan Theulen, Global Director Alternative Resources, HeidelbergCement (Belgium)

11.30 Austria report: an innovative cement industry in the heart of Europe, VOZ (Austria)

12.00 Major greenfield plant and maritime export facility: case study

**12.30 Lunch**14.00 CO<sub>2</sub> mitigation levers and utilisation in the cement industry: Michel Gimenez, LafargeHolcim CIP (France)

14.30 Moving the Turkish cement industry towards higher thermal substitution rates: A TEC (Austria)

15.00 Financing low carbon cement production in emerging markets: Florence Bachelard-Bakal, EBRD (UK)

**15.30 Coffee Break**

16.00 Prospects for recovery and growth in Mediterranean markets: Egypt, Morocco, Italy &amp; Spain

16.20 Transport logistics – optimising truck productivity and haulier payment schemes: Karsten Horn, INFORM GmbH (Germany)

16.40 Alternative fuels handling: Wolfgang Schulte, Beumer (Germany)

17.00 The premiumisation of cement: David Khanna, BPI Visqueen (UK)

**17.30 Drinks reception in the Exhibition Area****TUESDAY, 22 SEPTEMBER 2015**

09.00 State-of-art cement grinding technology: from micro to macro scale: Marco Goisis, Italcementi SpA (Italy)

09.20 Expansion of 1000tpd white cement kiln and innovative clinker handling system: Naseer Siddiqui, Saudi White Cement (Saudi Arabia)

09.40 Eastern European and CIS construction and cement markets: Bartłomiej Sosna, PMR (Poland)

10.00 Plant upgrade and modernisation project

**10.30 Coffee Break**

11.00 Alternative fuels and raw materials handling, dosing and treatment and emissions abatements solutions: Florian Salzer, W&amp;P Zement GmbH (Austria)

11.30 Reducing mercury emissions by up to 80%

12.00 Case study: plant automation and optimisation

**12.30 Lunch**

14.00 Prepol Step Combustor – a simple combustion system for alternative fuels: Stephan Pallmann, ThyssenKrupp Industrial Solutions AG (Germany)

14.30 Wrapped bales – solutions for SRF/RDF handling, transportation and storage: Heikki Jyrkinen, Crosswrap (Finland)

15.00 Alternative fuels: SMP system for feeding pasty fuels to cement kilns: Donat Bösch, SID SA (Switzerland)

**15.30 Coffee Break**

16.00 Solutions for catalytic filtration in the cement industry: Pietro Aresta, FLSmidth (Denmark)

16.20 High temperature clinker cooler gas filtration without water injection: Thomas Wyen, Ecospray Technologies (Italy)

16.40 Advanced SCR and SNCR technologies for NO<sub>x</sub>, CO, VOC and odour reduction**19.00 Cocktail reception followed by Gala Dinner and entertainment****WEDNESDAY, 23 SEPTEMBER 2015**

07.30-17.00 Plant tour to Lafarge Mannersdorf
