

Authorization for the use of images and videos of Ecospray Technologies' products

Ecospray expressly forbids whatever use of images and/or videos related to:

- *DeSOx tower interiors,*
- *Control panel graphic pages,*
- *Assembly drawings of DeSOx tower and its ancillaries (e.g. static mixer, venturi, water ceiling),*
- *Fabrication drawings and schemes for the DeSOx tower and its ancillaries (e.g. static mixer, venturi, water ceiling),*
- *Coordination drawings (e.g. pump room and funnel coordination drawings),*
- *Any patented item.*

The use of any detailed images and videos shall have to be previously allowed by Ecospray in writing.

Any photographic and video materials relevant to all Ecospray's products shall be used for promotional, informational and publicity purposes only that will have to be previously disclosed.

Any grant or transfer, direct or indirect, of the above-mentioned authorization to third parties is prohibited.

The use of the aforementioned documentation also implies the authorization to use our company brand only for promotional, informational and publicity purposes to be previously disclosed. By Accepting these terms, you undertake to acknowledge that Ecospray Trademark is an exclusive industrial property of Ecospray Company.

The use of Ecospray trademark will be allowed for the same purposes and at same time of the photographic documentation mentioned above. Lastly, any authorization herein provided is conditional on your compliance with the methods we shall indicate in connection with the graphic representation of the brand, which you are required to follow strictly.

In any case, the use of photographic and video documentation must take place in a context that will not infringe any rights and images belonging to Ecospray company, which reserves the right to verify the compliance with what hereinabove specified. Ecospray may also, at its sole discretion, revoke any authorization, should any infringement of the aforementioned rights be ascertained.

With regard to anything not expressly herein provided and for all permits, please contact our Marketing and Communications Dept (marketing@ecospray.eu)
